

THE SAD PASSING OF A TRUE GENTLEMAN

On Tuesday night 8th November, the Golf Club lost a much loved and respected member. **Mr. Geoff Wallace** lost his battle with ill health and passed away in hospital. Our deepest sympathies and support are extended to Geoff's loved ones, Cheryl; Leanne and the rest of the Wallace family.

Geoff's life was celebrated with a funeral and wake on Tuesday 15th November 2011 with Cheryl; Leanne and the Wallace family inviting all friends to farewell and honour Geoff. The wake was held at the Tamborine Mountain Golf Club and was very well attended, a few fine humorous tales were told and a number of drinks were toasted in Geoff's memory.

When one keeps a person in their thoughts and hearts they have not been lost to us. In order to help to keep the memories alive, a new Honour Board Trophy has been commissioned for the "Most Improved Junior" in honour of Geoff. This award will be presented on Saturday 26th November 2011; a tree will also be planted on the 8th hole as a remembrance. Geoff may you Rest In Peace.

Important Competition News for **Saturday 26th November 2011**

After a very successful Junior Development Program, a cause very close to Geoff's heart, there will be a special event on **Saturday 26th November 2011** that needs the support from all Saturday morning competition members. The junior's and their parents are holding their end of year BBQ; Award Presentation AND a 2 Ball Ambrose Parent and Child competition over 9 holes.

In order to conduct the 2 Ball Parent and Child comp and not interfere with the Members competition the Match Committee has decided to allocate the morning tee times to this Junior event, this means that on Saturday 26th November there will be

NO SATURDAY MORNING COMP TIME SLOTS AVAILABLE FOR MEMBERS.

It is understood that this will inconvenience some members that normally play early but it is hoped that they will understand and continue the support of this junior event and Program as it is one of the main initiatives to bring new members to the Golf Club.

The Saturday Members Comp time slots will commence from 10.30 am for the scheduled 4BBB Stableford comp.
